Lake Edward Resort is situated in the heart of the Minnesota Lakes Region, 12 miles north of Brainerd, on Crow Wing County Highway #3, just north of Merrifield Minnesota.

Lake Edward is one of the finest all around fishing lakes in the state. Although it is classified as a walleye lake, it also contains many northern, bass, large panfish, and other species of fish. Lake Edward is an exceptionally clean lake and offers superb swimming and boating opportunities.

The grounds at our resort are spacious and level with the lake. We have a shallow, sandy beach area that is

excellent for small children. We provide a play area for children, horseshoes, volleyball, and shuffleboard. There is a central campfire area where many interesting lake stories have been shared amongst our guests.

Although Lake Edward is noted for walleyes, there are also northern, bass and panfish galore!

We have eight housekeeping cabins at the resort. All of our cabins are extremely well cared for and updated for your comfort. Most have a screened-in porch. With your cabin we provide: Cooking and eating utensils, bed linens, a picnic table, and a fourteen foot aluminum boat. Charcoal grills are available.

We do not provide beach or bath towels or paper products. However, if you forget your towels, we do have a limited number available for a small deposit.

Sorry, we do not allow pets.

For more information or reservations, please call Randy or Jan at 1-218-765-3419 or 1-888-200-0523, or e-mail us at: lakeedwardresort@brainerd.net.
